

Judoclub Made
Made, Netherlands

16 June 2017

Dear Management or Competition Secretary,

Judoclub Made would like to invite you to our “Amerhal Tournament”. By means of this letter, we provide you with further information regarding the event. Applications to compete are open to boys and girls born between 1997 and 2011. We hope to see you and your judokas at our tournament in De Amerhal.

Yours sincerely,

Judoclub Made

Competition Organising Committee

Below you will find the necessary information regarding this tournament

- Date:** 24 September 2017 (Sunday)
- Location:** Sports center “De Amerhal”
Lignestraat 58
4921 EV Made
Nederland
Phone number: +31 (0) 162-684547.
- Participants:** Each judo school is able to register an unlimited amount of participants. Should we exceed the maximum number of total participants (650), registrations will be considered on a first-come-first-serve basis.
- Age:** Boys and Girls.
Born: 1997 - 2011

Registration: Registration for teams from outside of the Netherlands can be done using the form that you will find attached to this e-mail. Dutch teams who are affiliated with the Dutch Judo Federation (JBN) are required to register through the Federation's registration system.

Important note: Each judoka is required to register his/her correct weight. Judoclub Made assigns the judokas to their corresponding weight categories following the Dutch Judo Federation standards. Should there be an insufficient amount of participants in a particular weight category, this will be merged with another if appropriate and if agreed upon by all relevant parties. This only accounts for judokas over the age of twelve, as categories of boys and girls below this age can be merged without consultation according to the Dutch Judo Federation standards.

If the registered weight turns out higher or lower than the actual weight (i.e. when the judoka does not meet the criteria to compete in a particular weight category) the organisation is able to attempt to reassign the judoka to a different class. However, Judoclub Made cannot guarantee the success of such measures, and failure to disclose the correct weight may eventually lead to exclusion from the competition.

Please bear in mind that there is a maximum of 650 participants in total.
