Important note: Each judoka is required to register his/her correct weight. Judoclub Made assigns the judokas to their corresponding weight categories following the Dutch Judo Federation standards. In the case of an insufficient amount of participants in a particular weight category, multiple categories may be merged if appropriate and if agreed upon by all relevant parties. Any categories of boys and girls below the age of 12 can be merged without consultation according to the Dutch Judo Federation standards.

Any changes to a registered weight amount should be communicated to [amerhaltoernooi@judoclubmade.nl](mailto:amerhaltoernooi@judoclubmade.nl) up until one week before the event. If the judoka's actual weight on the competition day deviates from the registered weight (i.e. when the judoka fails to meet the criteria to compete in a particular weight category), Judoclub Made cannot guarantee any success in reassigning the judoka. Thus, failure to disclose the correct weight may eventually lead to exclusion from the competition.
